WHO WE ARE

Jennie Stuart Health Physical Therapy is your local provider for physical rehabilitation and sports medicine. We are the preferred choice for those who seek individualized care and the most current and effective treatments for a wide range of orthopedic, neurological and soft-tissue disorders.

HOW WE ARE DIFFERENT

For each patient, therapy begins with a thorough evaluation to identify problems and assess function to determine the best course of treatment. Each treatment plan is customized to the patient's unique needs and goals. We offer:

- Board-certified and doctoral-level physical therapists
- Evidence-based treatments
- Hands-on treatment approach
- Continuity of care with your physical therapy provider
- State-of-the-art facilities and equipment

SERVICES

We provide rehabilitative services for both non-operative and post-operative conditions, including:

- Balance dysfunction
- Foot pain (custom foot orthotics)
- Fractures
- Hand surgery
- Joint replacement
- Ligament repair and/or reconstruction
- Neck and back pain
- Neurologic conditions (CVA, etc.)
- Spinal surgery
- Sports rehabilitation
- Sprains and strains
- Tendon repair and/or reconstruction
- Work-related injuries
- Vestibular conditions

INSURANCE

Jennie Stuart Health is a network provider for more than 50 insurance companies, including Medicare, Tricare, Anthem, Humana and Workers Compensation. To ensure you are aware of coverage and out-of-pocket costs, we offer all patients a courtesy verification of benefits. Regardless of insurance or monetary restrictions, we are dedicated to helping you receive the best, most timely treatment possible. To learn about individual financial plans, please call our clinic.

HOW DO I GET STARTED?

To help speed up the treatment process, call the clinic to pre-register and schedule your initial evaluation. Most new evaluations are seen within 48 hours of registration. When you call, we may need your physician referral and insurance information for pre-certification, so please have those ready. We will provide additional preparatory treatment information at this time and answer any other questions you may have.
